This year is the 10th Annual Art In The Park Event. We thank our sponsors for their previous support and want them to be the first to know that because this is a milestone year we are going to be doing **extra and doing more to make this a special event**. Therefore, your sponsorship will gain your company more exposure.

Our website is already up and sponsorship spots are available. All of the sponsors will also be featured on our Facebook page. These are, of course, in addition to the items listed on the sponsorship application. Please visit our website <http://artintheparkversailles.org/>

There will be a Friday evening portion of the Event as well as an all-day Saturday portion. Due to the extra visibility and advertising we are planning for Art in the Park, we are expecting large crowds.

As a sponsor, you are helping to keep a thriving art community. By supporting local, we keep jobs here and have money actively working in the community. We are offering five levels of sponsorship / advertising: Van Gogh, Degas, Monet, Matisse, and da Vinci. See the attached application for details.

You can also support **Art in the Park** by serving on a committee and lending your business expertise and leadership skills, and by volunteering or encouraging your employees to volunteer on the day of the event.

Be a friend of Art in the Park by donating whatever amount you choose.
